Kathryn's Reading Practice

Level 2 (about 2.0 to 2.3 grade level) • Words from Word List 5
Read each story out loud. Then answer the questions. Look back at the story to check!

The Big Slide

(fiction)

Sam and his young sister Kate went to the park. Kate liked the little slide. Sam liked the big round slide. He slid down it ten times! Then Kate made a wish. "I wish I could ride the big slide," she said. "Are you sure?" asked Sam. Kate did not answer. She just gave a big nod. Sam held her hand all the way up the steps. Kate slid down fast and landed on her feet. "That was fine!" she yelled. "What fun!" She did not miss a turn after that. They did not go home until the sun went down.

Questions

1. Who went to the park?

a) Sam and Kate
b) Sam and Mom
c) Kate and Jen

What Fins Do

(nonfiction)

Have you ever looked at a fish? A fish has fins. Its fins help it swim. A fish swishes its tail fin to go fast. Then it uses its side fins to turn round. A young fish is very small. It must hide until it gets big. Big fish may try to rob it of its food. What does a fish eat? Some fish eat bugs, and some eat plants. A hungry fish will find food fast. Now you know the answer. Fins help a fish swim, turn, and find food!

Questions

1. What helps a fish swim?
